

# PETITION TO OPEN CANBY SCHOOLS

**NOW**

We the parents, teachers, students, business owners, coaches, priests, pastors, taxpayers, and other residents of Canby hereby **DEMAND** that Superintendent Goodall re-open Canby Schools - now. The Oregon Governor has authorized schools to be open and we agree! We all have our different reasons but agree the schools and facilities should be open for use. If you will not then we ask the school board to find someone who will.
